

SIZZLING HOT SUMMER FUN!

Use your Skip-A-Pay for whatever you choose.

Dear Valued Member,

Coast2Coast Financial Credit Union has a special gift for you. It's easy, convenient, and could put lots of money in your wallet. Our program called Skip-A-Payment* is where you choose a loan payment you want to skip and keep the cash. Use the money to plan a vacation, a weekend get-a-way, a party with friends and family or shop for back to school!

It's easy! Simply indicate below which month you'd like to skip a payment - June, July or August. Tear off the form below and mail, fax or email it to the Credit Union. There is a modest fee of \$35 per loan for our Skip-A-Payment program. For your convenience, we'll deduct this fee from funds in your savings or checking account. If your payment is made by Payroll Deduction or Direct Deposit, your payment will be deposited into your Share Account. Interest will continue to accrue on your loan during the month you skip your payment.**

* Skip payments are subject to Coast2Coast Financial Credit Union approval and are not available for real estate, home equity, overdraft or credit card loans. Other restrictions may apply. Payment skips or extensions will affect interest accrual, final payoff date and equity in collateral.
